ABOUT BANGLADESH INSTITUTE OF BANK MANAGEMENT (BIBM)

BIBM is an apex educational, training and research institution supported and supervised by the Bangladesh Bank, almost all the banks and a few financial institutions in Bangladesh. Established in 1974 under the Societies Act, 1860, BIBM is going to celebrate its golden jubilee this year. It primarily provides training to the mid and senior-level executives of banks and financial institutions. Besides, it conducts workshops, seminars, roundtable discussions, and conferences and undertakes research on banking and allied fields regularly. To date, BIBM trained 11,1387 officers of banks and financial institutions. It also offers certification programs in different areas of banking including Credit Management, Risk Management, Trade Service, Electronic Banking, Islamic Banking, Anti-Money Laundering and Financial Crime, SME Financing, Internal Audit and Bank Inspection. Some of these programs are jointly organized with the Frankfurt School of Finance and Management, Germany. Highly qualified and experienced faculty members, interactions with industry experts, a huge collection of books in the library, modern classrooms and a lush green campus are the key strengths of BIBM.

ABOUT THE PROGRAM AND DHAKA SCHOOL OF BANK MANAGEMENT (DSBM)

BIBM started the Masters in Bank Management (MBM) program in 1997 with the affiliation of National University. The MBM Program is a 2 years and 4 months professional postgraduate program for those who plan career in banking and allied fields. In 2006, BIBM introduced the MBM-Evening program mainly for bankers and other professionals. After successfully completing 16 batches of MBM and 7 batches of MBM-Evening, the program has been affiliated with the University of Dhaka since 2012. BIBM has established the Dhaka School of Bank Management (DSBM) for the smooth running of the program. Both the MBM and MBM-Evening programs are conducted under the same regulations and syllabus approved by the University of Dhaka. So far 1663 graduates completed their degree under these programs. Almost all of them are now working in different banks and financial institutions. Some of them have already reached the top-level management of the banks.
